

IPFA/PEI 18TH WORKSHOP ON “SURVEILLANCE AND SCREENING OF BLOOD BORNE PATHOGENS”

IN COLLABORATION WITH THE IRISH BLOOD TRANSFUSION SERVICE

24-25 MAY 2011

RADISSON BLU ROYAL HOTEL, DUBLIN, IRELAND

This annual workshop, jointly organised by the International Plasma Fractionation Association (IPFA) and the Paul-Ehrlich-Institut (PEI) has become widely recognised as an authoritative international scientific meeting for discussion of developments concerning the microbiological safety of blood and blood products. The meeting attracts internationally recognised experts from blood services, regulatory agencies and industry.

For further information or to register your interest in this meeting, please contact the IPFA secretariat. We will also keep you informed on the forthcoming meeting on the Events section of the IPFA website: www.ipfa.nl.
