

## ATA CHECKLISTS—A MEMBER-TO-MEMBER SERVICE

**POLICY FOR CHECKLIST USE.** ATA checklists are the property of the American Topical Association, intended for use by members and to promote thematic collecting. Checklists are copyrighted and are not to be copied except by the ATA for distribution to ATA members. Portions of a checklist may be used as part of a philatelic article or column if credit is given to the American Topical Association. The ATA does not imply that these checklists are complete or error free. In many cases the lists are submitted, or amended, by ATA specialist collectors. In the majority of cases, they are assembled by a single individual who goes through the catalogs trying to keep up with the majority of 500+ checklists which are to serve as a starting point for those who wish to collect any of the topicals listed below. Members finding errors or omissions are encouraged to send amending information to the ATA to improve upon this member-only service. Questions on the use of a checklist should be directed to American Topical Association, PO Box 8, Carterville, IL 62918-0008 or [americantopical@msn.com](mailto:americantopical@msn.com)

Costs for the checklists are as follows:

\$.20 per page per checklist whether for domestic, international or by e-mail. The charges offset ATA costs of catalogs and copying and encourage membership in the ATA. Donations for postage are appreciated.
